

Lecture Series

Winter term 2026/2027

**Internationalisation
of Teacher Education**

**Mondays 19/10/26 – 25/01/27 (bi-weekly)
from 1:00-2:00pm (CET); Online via Zoom**

Within the framework of the international lecture series “**Internationalisation of Teacher Education**”, lecturers from various countries will discuss the global importance of education. The series brings together partners from the three *Internationalisation of Teacher Education* projects at the **Universities of Education Freiburg, Ludwigsburg and Weingarten**, as well as other international partners. A particular focus is placed on the implementation of **Goal 4.7 of the United Nations 2030 Agenda**.

SDG 4.7 aims to promote **inclusive, equitable and high-quality education and awareness of sustainable development**. The lecture series brings together international perspectives and fosters intercultural dialogue, discussion and the exchange of good practice.
