International Lecture Series: SDG 4.7 and Global Education

mondays, 13/10/25–19/01/26;
1.00–2.00pm (CET), online

Join educators from around the world—partners in the ILaP-InGE project—as they explore the global relevance of education and the UN Sustainable Development Goal 4.7 (inclusive, equitable education and awareness of sustainable development). The series offers diverse perspectives, intercultural dialogue, and examples of good practice. Be part of the conversation and help shape the future of education!
