As part of the course, the students will experience mini-musicals as a path towards musically creative design within primary school classes. Together, participants will study and rehearse parts of mini-musicals and perform them in front of a small audience. The songs are developed both melodically and rhythmically, provided with appropriate choreographies and translated into scenic presentations. Depending on the available options, the scenes will be accompanied with instruments or a playback recording.

Im Rahmen der Internationalen Woche erfahren die Studierenden Mini-Musicals als einen Weg zum musikalisch-kreativen Gestalten im Primarstufen-Unterricht. Gemeinsam werden Teile von Mini-Musicals einstudiert und im kleinen Rahmen zur Aufführung gebracht. Die Lieder werden sowohl melodisch als auch rhythmisch erarbeitet, mit entsprechenden Choreografien versehen und szenisch umgesetzt. Je nach den vorhandenen Möglichkeiten erfolgt die Begleitung mit Instrumenten oder mittels Playbackaufnahme.
