

Ibis Budget Hotel to Campus

Welcome to Ludwigsburg!

Here is a little guide to help you finding your way to our Campus.

Exit the hotel and turn right. After about 60m turn left onto the little path and follow it.

To get to Campus you need to catch the **S4** which departs from plattform 2. It only takes 2 minutes and 1 stop to arrive at the station **Favoritepark** which is the one closest to Campus.

How to buy tickets (cash only):

Valid tickets are required to board the train. To buy a ticket, find a ticket machine (usually located on the platforms).

First, change the language by tapping the flag icon at the bottom!

On the screen, select the bottom right “VVS” panel, enter your destination and follow the instructions.

If you just take the train for one stop (e.g. to Favoritepark), you can buy a “short distance ticket”.

If not stated otherwise, tickets are valid one-way only, so make sure to buy a new one before you board the train back to Ludwigsburg.
